Eco-Friendly Furniture

- Hand-crafted by our artisan craftsmen using traditional techniques.
- Made from reclaimed pine that has an admirable history having been used for buildings and structures from the 18th to early 20th century. The wood is recycled and reused to make this collection sustainable and eco-friendly.
- Reclaimed timber brings many natural and wonderful characteristics to the range, including knots, colour variations and slight cracks. These attributes enhance the overall beauty of the collection.
- The simplicity of the design allows you to enjoy the natural beauty of the reclaimed timber.
- Feel good knowing you are making a difference to your carbon footprint with this recycled collection.
- Features dovetailed drawers, modern black handles and finished in a clean light wax.

All measurements are approximate. We reserve the right to alter specification.
