Beautiful Detail

As standard the Cobble collection is finished in our warm Cobblestone paint - a mid grey with hints of magenta.

If Cobblestone isn't your colour, there are a further 8 painted colours to choose from to suit your home decor, all re-coloured in the UK. This range combines a clean paint finish with oiled oak tops and beautifully sculptured plinths and cornices. Perfectly styled with contemporary metal handles.

It is sure to bring design and comfort to your home.

All measurements are approximate. We reserve the right to alter specification. The colours shown are only as accurate as digital and printing processes allow. Please see in-store for true colours.
