Beautiful Detail

Hand-crafted using FSC® reclaimed pine, the Pembroke Collection combines the natural beauty of wood with the rustic charm of reclaimed. Displaying the age and history of each wooden panel, the timber blends minor scratches, cracks, nail holes, and colour variations to give each piece a unique character. With its rounded tops that flow into straight lines, symmetrically slatted drawer fronts and doors, and edge pull brass handles that beautifully emphasise the wood's features, the Pembroke boasts a robust design. This truly is an authentic and distinctive collection.
